

# The Baltic Science Network Research Internship Market

COVID-19 Declaration
----------------------

Name:

Home institution/country

Dear users of the BSN Research Internship Market,

Unfortunately, due to the Covid-19 pandemic there are presently several travel restrictions valid for BSR countries. For your own safety it is important that you are aware of them and that you fulfil them. Therefore, we would ask you to confirm by ticking the box, that you are aware of the respective rules and that you have planned the internship stay in compliance with them, as to the regulations:

- at the home institution
- in the home country
- at the host institution
- in the host country.
