

The Baltic University Programme

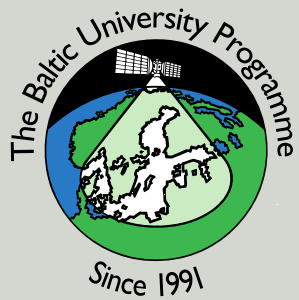

- Internationalization in practice

Madeleine Granvik, Ph.D. Associate Professor

Director The Baltic University Programme

Uppsala University

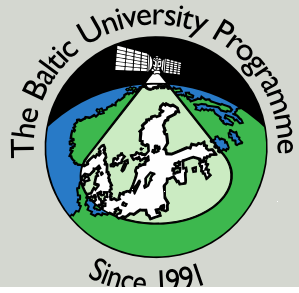

Madeleine.Granvik@balticuniv.uu.se

Aim to support building strong regional educational and research communities

Find novel ways of interaction by promoting openness, internationalization and mobility

To foster knowledge and co-operations in the field of **sustainable development and Education for SD.**

In September 2015, 193 world leaders committed to 17 Global Goals for sustainable development

Goal 4 Education is essential to all of the 17 goals

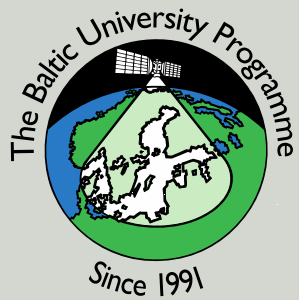

10 BUP Themes

- related to sustainable development

- Circular Economy
- Climate Change
- Education for Sustainable Development

(ESD)

- Renewable Energy
- Urban-Rural Development
- Sustainable Food Systems
- Sustainable Mobility
- Sustainable Societies
- Sustainable Tourism
- Sustainable Water Resources

BUP organization

95 Member Universities

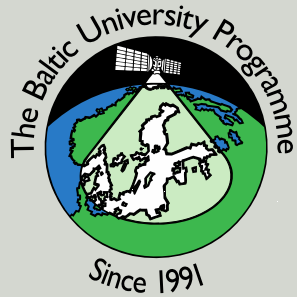

12 National Centras with Centre Directors

3 Associated Secretariats

1 Coordinating Secretariat

Photocred: NN, NN and NN

BUP map

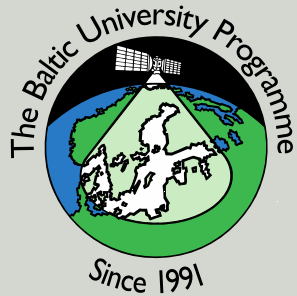

The line denotes the drainage area of the Baltic Sea Region, where most BUP Member Universities are situated.

Red dots show the location of one or more Member Universities.

Blue dots show the location of the BUP National Centres.

Yellow dots show the location of Associated Secretariats.

Black dot shows the location of the Coordinating Secretariat

BUP activities

- **Education**

Undergraduate students, PhD students, and university teacher training

- **Research**

Support Regional research cooperation

- **Conferences**

University teachers, students, researchers, Rectors' conference every third year

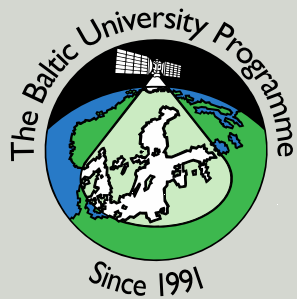

- **Projects**

Internal at universities and external in cooperation with actors like municipalities, authorities, business

Support Researchers

- **Mobility Grant for young researchers**
- PhD Award
- **PhD student training**
- Research conferences and seminars
- Scientific Council
- Research Notes Letter
- 10 BUP Themes – Research Networks
- BUP User Group in LinkedIn
- BUP-RaP Hamburg - Baltic University Programme Research and Publications Office
- BUP Symposium 2020 and 2021 – BUP Research Forum
- **Paper Award young researchers**
- Special issues sc. journals

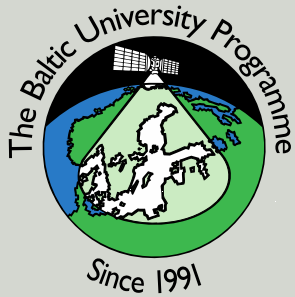

BUP SYMPOSIUM 2021

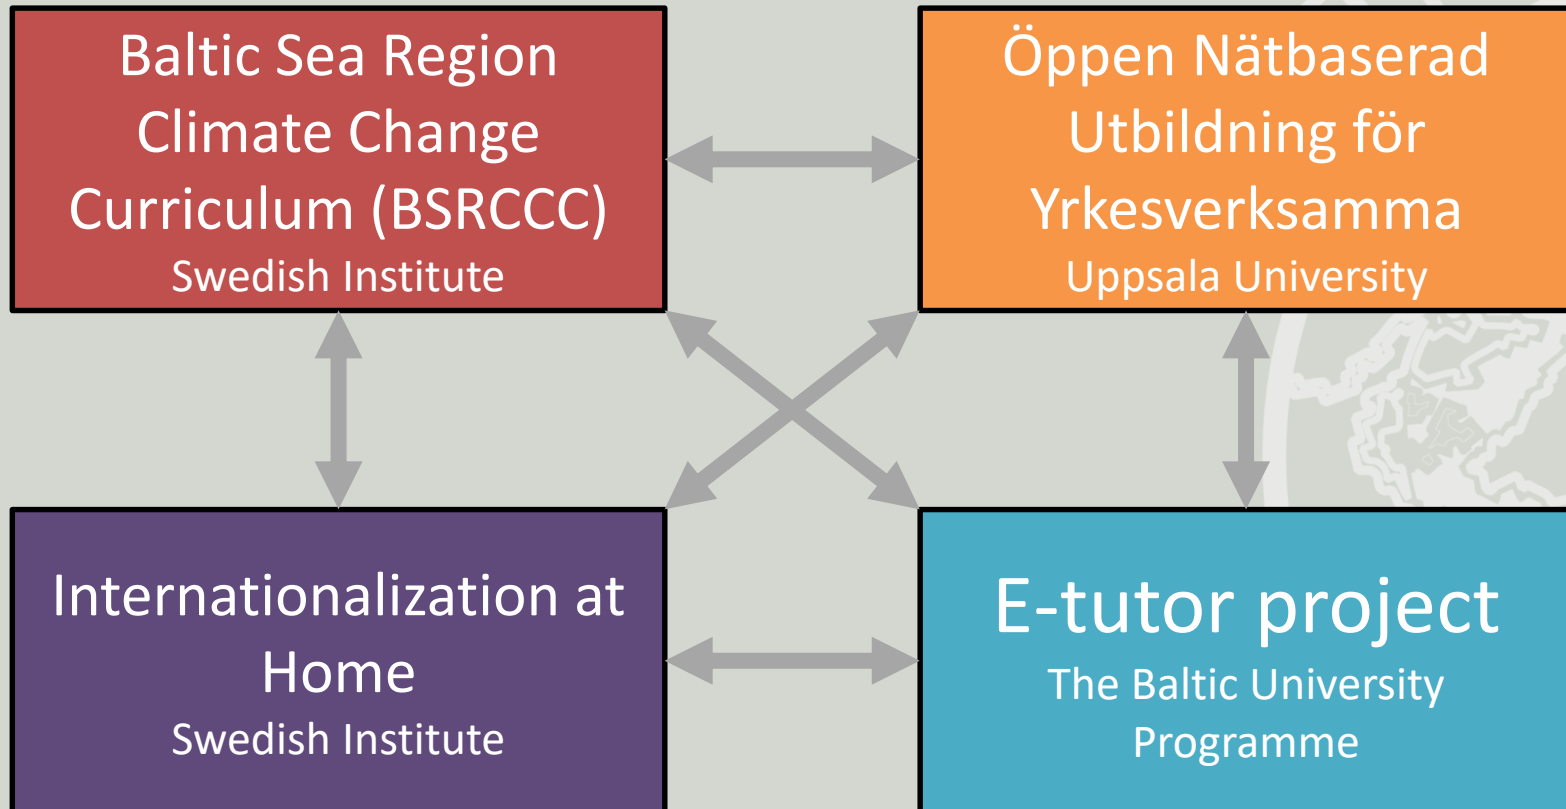

19-20 October ONLINE

Submission of abstracts open

<https://doit.medfarm.uu.se/kurt/?action=view&id=20100&role=rece>

4 projects to digitalize BUP education

Student Ambassadors

-Since February 2021 there are 27 BUP Student Ambassadors

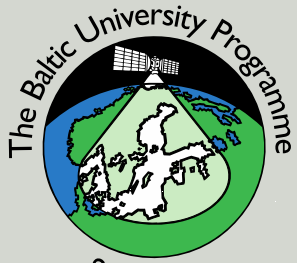

-GOAL: to have at least one at each of the 95 Participating Universities

Implementing sustainability at universities

- Webinar series,
- Survey BUP Participating Universities

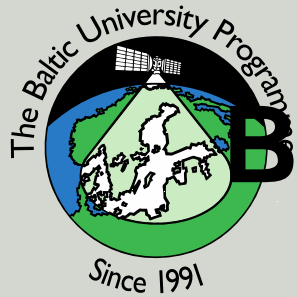

How can we implement sustainability at universities in respect of teaching, research and campus greening?

Added values being part of BUP:

- BUP is internationalization in practice
- BUP focus on Sustainable Development in the BSR
- BUP supports mobility
- BUP supports research co-operation
- BUP supports implementation of Education for Sustainable Development ESD
- BUP strives to develop innovative teaching methods, courses and modules
- BUP has a multi- and interdisciplinary approach
- BUP is friendships, knowledge and understanding between people and cultures

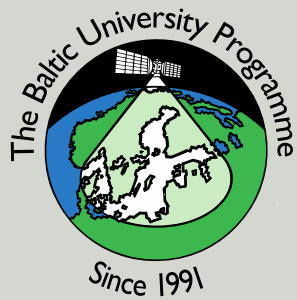

BUP Participating Universities

Priority to take part in BUP activities,
without any extra cost, examples:

- Conferences for researchers, academic teachers, students
- Symposium, present research, posters
- Research Notes Letter, special issues in scientific journals
- Courses and modules for teachers and students
- PhD Training
- Calls for mobility grant and PhD awards
- Rectors' conference every third year

THANK YOU!
