The multicultural group chat!

Team

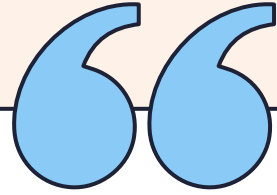

01

What is Baltic Perspectives?

**Our goal is to promote
understanding, cooperation,
innovation and sustainability
in the Baltic Sea region.**

02

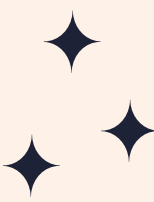

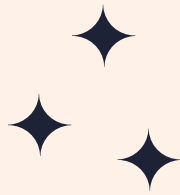

Does this have
any **benefits?**

Strengthening our **community**

Using technology to help people
connect with the neighbouring
countries

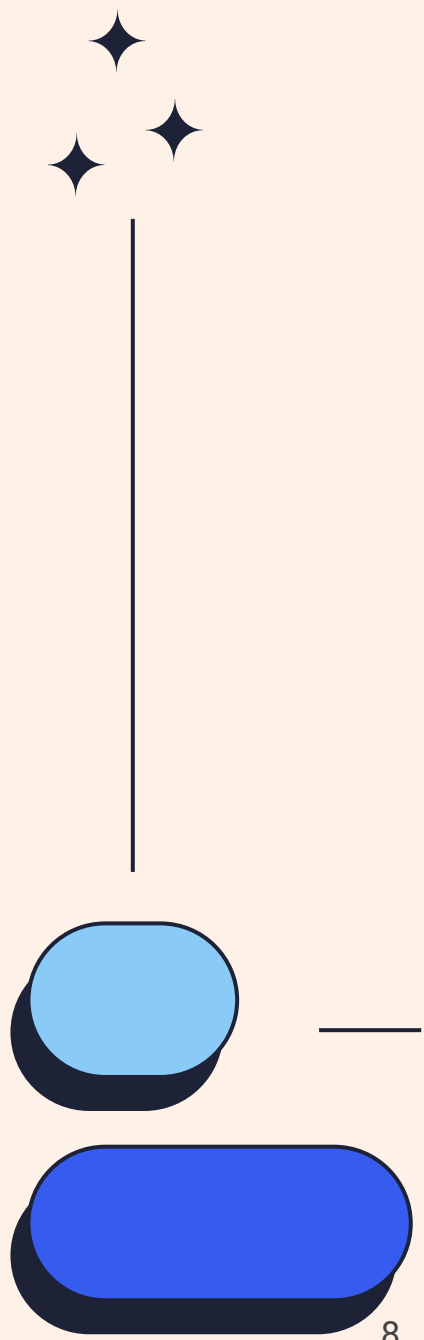

03

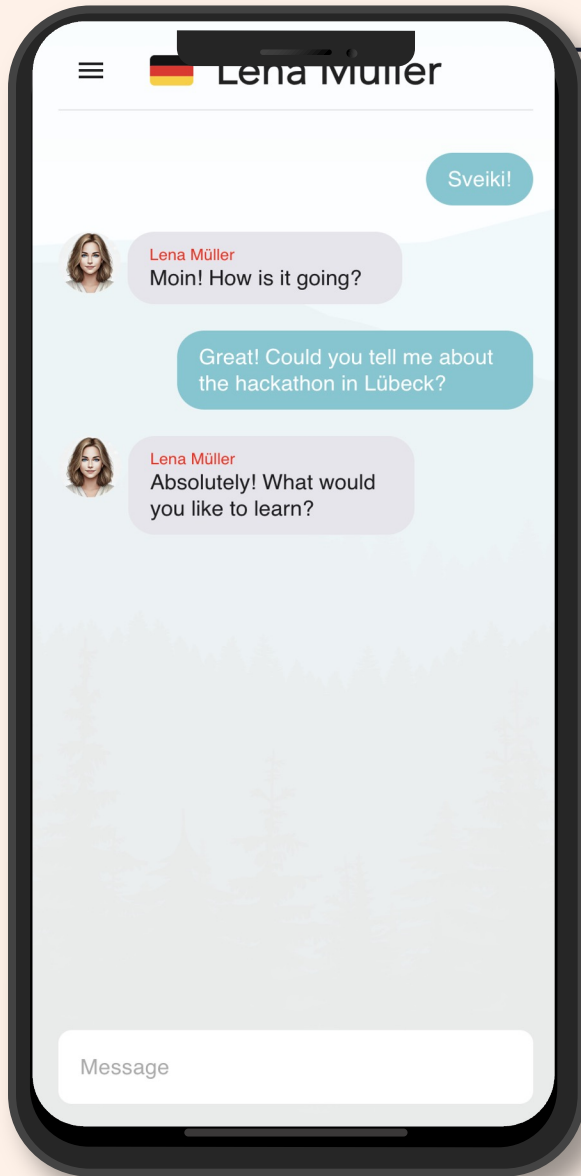

Our

solution

Prototype

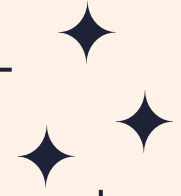

Talk as if it's your friend

Chat individually or in the
group chat!

Demo time

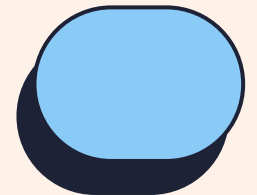

Thank you!

Try the demo yourself after the presentation!

Do you have any questions?

Baltic Perspectives

Bridging Borders with AI
